## List of Rationalized Content in Textbooks for Class I – VIII

Contents of elementary school textbooks have been rationalized in view of the following and adhering to the learning outcomes outlined by the NCERT.

- Overlapping with similar content included in other subject areas in the same class
- Similar content included in the lower or higher class in the same subject
- Difficulty level
- Content, which is easily accessible to students without much interventions from teachers and can be learned by children through self-learning or peer-learning
- Content which is irrelevant in the present context

This list contains information in tabular form about subject-wise contents which have been dropped and hence are not to be assessed. Textbooks where changes are not made are also listed with the remark ‘No changes’.
