Winner of Poetry Writing Festival—2015**I can, with Freedom**

Paint my dreams, I can, with freedom as my brush

Write my faith, I can, with freedom as my pen

But when I lie shattered to pieces,

It is what I unleashed upon myself with freedom

And when the sun goes down,

Where will my soul rest, it's with freedom I choose.

Sing my heart's song, I can, with freedom as my voice.

Climb the mountain, I can, with freedom as my stair

But when I'm drowning in mistakes,

It is what I earn by going free fall with freedom

And when I close my eyes

What will my mind say, it's with freedom I choose.

Drive my own way, I can, with freedom as my gear

Pave my own road, I can, with freedom as my map

But when I'm standing all alone

It is what I brought onto myself with freedom

And when the sun rises, where will my body be, it's with freedom I choose.
