ACADEMIC CORNER

Do/s and Don't's of Language Teaching :

- Teach the language, not about the language
- Teach the language, not (at the start) a writing system
- Teach the language, not its vocabulary
- Teach the language as it is, not as anyone think it ought to be
- Teach the language as it is spoken in ordinary circumstances, not as a special literacy or oratorical form
- Teach the language, not its literature
- Teach the language as it is now, not in terms of its history
- Learning the language is not an intellectual task.
