## ACADEMIC CORNER

### INCORRECT OMISSIONS OF PREPOSITIONS

The following are examples of mistakes made through the omission of the preposition after certain words :

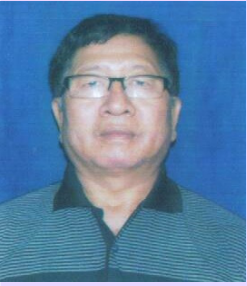

- |                                                                        |           |                                               |
|------------------------------------------------------------------------|-----------|-----------------------------------------------|
| • Ask for a thing, <i>not ask a thing.</i>                             | Don't say | : He came and <b>asked</b> my book.           |
|                                                                        | Say       | : He came and <b>asked for</b> my book.       |
| • Dispose of a thing, <i>not dispose a thing.</i>                      | Don't say | : He will <b>dispose</b> all his property     |
|                                                                        | Say       | : He will <b>dispose of</b> all his property. |
| • Dream of a thing, <i>not dream a thing.</i>                          | Don't say | : Young men <b>dream</b> glory and riches     |
|                                                                        | Say       | : Young men <b>dream of</b> glory and riches. |
| • Explain to a person, <i>not explain a person.</i>                    | Don't say | : She <b>explained</b> me the matter          |
|                                                                        | Say       | : She <b>explained</b> the matter to me.      |
| • Knock at the door, <i>not knock the door</i>                         | Don't say | : Who is <b>knocking</b> the door ?           |
|                                                                        | Say       | : Who is <b>knocking at</b> the door ?        |
| • Listen to a person or thing, <i>not listen a person or thing.</i>    | Don't say | : They were <b>listening</b> the music        |
|                                                                        | Say       | : They were <b>listening to</b> the music     |
| • Pay for a thing, <i>not pay a thing</i>                              | Don't say | : How much did you <b>pay</b> the book        |
|                                                                        | Say       | : How much did you <b>pay for</b> the book    |
| • Point to or at a person or thing, <i>not point a person or thing</i> | Don't say | : He <b>pointed</b> the map on the wall       |
|                                                                        | Say       | : He <b>pointed to</b> the map on the wall    |
|                                                                        | Or        | : He <b>pointed at</b> the map on the wall    |

( to be continued )
